## OBJECTIVE

I am searching and I desire for a job related to information technology that could help me gain more experience in the field, allow for me to improve my skills, and provide opportunity for growth.

## EXPERIENCE

### **Business Plan Prep / Developer – GENIUS project 2018 (10-day project)**

Helped to develop the mobile application with a group of three others and I lead the writing of the business plan.

### **Full-Stack Developer – Sulaon Oy (June 1, 2021 – September 9, 2021 (contract))**

Technologies used include Node, React (with Redux), Postgre, Azure SQL, Azure IoT Hub. Development done on a machine with Debian 10.

## COMMUNICATION

- Very skilled at talking to people and persuasion
- Charismatic and great speaker
- English is my native language
- Finnish language skill is intermediate, but it always improves

## LEADERSHIP

I am naturally an efficient leader and I obtained those skills by being in the Boy Scouts of America. I achieved the rank of Eagle Scout, which is the highest rank in the BSA. I communicate very openly and I am almost never afraid to say what I am thinking.
